Tomorrow is the last day of Term 3. I would like to wish all families a happy holiday. I know it has been a very busy time over the last few weeks for a number of our families, so I hope the next two weeks provide some rest and relaxation.

What a wonderful term we have had! Highlights include:

- Athletics Carnival
- Stage 3 Careers Expo
- The Les Peterkin Portrait Prize
- North Coast Public Speaking competition
- Premiers Spelling Bee
- Responsible Pet Ownership K-2
- Stewart House Concert
- Jump Rope for Heart
- Year 3-6 camp to Brisbane
- Years K-2 SeaWorld excursion
- Student representation in district and regional athletics
- Small Schools ball games day

Well done to our students for representing our school at these events. It is pleasing to see our kids consistently doing their very best and displaying respectful behaviour.

When we list everything we have done this term it reminds us of how wonderfully talented our students are. Well done kids!

Please enjoy reading Judd’s recount of the 3-6 camp, which is attached to today’s newsletter. The highlight of camp for me was definitely Parliament House! So much history, and very entertaining watching our kids role playing a bill being passed into Parliament.

Perhaps some future politicians are amongst us...?!?

Last Saturday I received our $1000 winning voucher from Big W, as part of the Tweed City Scholar Dollars program. We are looking forward to utilising this money effectively into our Tutti Fruity school garden project. If you have any suggestions or ideas, please don’t hesitate to come and see me.

Principal
PUBLIC SPEAKING AWARDS
Well done to Sam, Siyah and Elise for their performance at the Public Speaking Awards which were held at Banora Point Primary on Thursday 3 September. Congratulations to Elise who came 2nd in the Stage 3 competition. She will now move on to the next level of competition.

BALL GAMES
Congratulations to the Carool Senior Ball Games team of Brendan, Lucas, Charlie, Flynn, Reuben, Kiahn and Milly. An outstanding performance saw them place first in the B Division.

The Junior and Sub-Junior teams also performed well. All participants put in a great effort. Thanks to Danny, Seth and Sonny for filling in for another school.

CRICKET GALA DAY
On Tuesday 15 September students in the 3-6 class travelled to Murwillumbah to participate in a cricket gala day. They had a great day and enjoyed improving their cricket skills. Thank you to the parents who helped out with transport.

SEAWORLD EXCURSION
Students in K-2 class visited SeaWorld on Tuesday 8 September. Thank you to Mel and Anna for driving and helping with supervision on the day. Thank you also to Paul and Vanessa for helping transport kids to and from SeaWorld. Attached to this newsletter is a selection of photos from the day. Visit the school website on www.carool-p.schools.nsw.edu.au to view all the great photos in the gallery album.

LES PETERKIN PORTRAIT PRIZE AWARD WINNERS
Congratulations to Gypsy, Kealey, Marley and Charlie whose works of art will be displayed in folders at the Les Peterkin Portrait Prize exhibition. Also congratulations to Elise who received an Encouragement Award (8-10yrs). Her work of art will be displayed on the wall of the art gallery at the exhibition. See page 3 for exhibition dates and invite.

Remember that school resumes for both staff and students on Tuesday October 6th.
BRISBANE EXCURSION Yr 3-6
Years 3-6 had fun on the excursion to Brisbane on Tuesday 8 to Thursday 10 September. Attached to the newsletter is a selection of photos from the excursion. Visit the school website to view the full album of photos from the excursion. www.carool-p.schools.nsw.edu.au. Below is a recount of their adventure by Judd.

‘Last week on Tuesday, the kids in Years 3-6 went to Brisbane for an educational excursion.

The first thing that the group did was go to Australia Zoo. We went to see the Tasmanian devils, koalas, cassowaries and dingoes. After that we went to a small show about animal habits and some of the features that they have that help them in the wild. Next we went to see the big croc show. There were big birds, small birds nicknamed the ‘speed demons’, but my favourite part of the show was when they brought out Charlie the duck. They put on awesome music as he came out. Of course, the big croc was pretty cool also.

After the show we headed off to Osprey House. We tried to find an Osprey but it wasn’t successful. Then we went to go unpack at Camp Warawee.

The next day we went to Parliament House. We did a role play and found out some interesting facts, including the fact that the whole Parliament House was almost destroyed by termites. We also went to Suncorp Stadium. I didn’t find it too interesting, but it was still pretty cool. The Planetarium was one of my favourite things to do. Then we went on a small ferry trip called City Hopper and went back to camp.

On the last day we went to South Bank beach, which is a fake man-made beach. After that we went to the Brisbane Museum. I found out a lot of facts about things, but the coolest thing by far was the Science Centre. We played in the new fire safety part. There was rock climbing, walking along a bar, news reporter, helicopter simulator and my favourite thing – the ball pit! It was fun because you sink to the bottom and try to be saved before someone steps on you.

It was the best camp that I have ever been to because there were places that I have never been to and probably never would have gone there in the future’.

JUMP ROPE FOR HEART
Jump off action!
