Yesterday the students in Years 5 & 6 commenced the surfing program run by ‘Walkin’ On Water Surf School. Our school secured a grant through the Australian Sports Commission Sporting Schools Program to cover the cost of these lessons. The sessions are being held at beautiful Greenmount Beach and go for an hour each Wednesday for 4 more sessions. Thank you to Tania, Lisa, Kim and Helen for being our volunteer drivers for these sessions. It was fantastic to see the kids thoroughly enjoying themselves in the surf. Each student received a backpack filled with goodies – which was very exciting.

We also have our annual 3 visits with Kel and Milo from the NRL learning basic rugby league starting next week. Our students are certainly keeping fit and healthy in between their learning in classrooms!

The second half of this term will be very busy. Students will be getting ready for Presentation Night, participating in ‘Kids Club’, surfing, transitioning to high school and kindergarten, attending NAIDOC celebrations at Fingal and competing in our first chess tournament with Fingal Head PS (note to go out next week). All of this whilst continuing to work hard in all Key Learning Areas in their classrooms. Well done kids! Keep working hard and doing your best in all that you do.
