Bushfire season is well and truly upon us. A few weeks back a letter came home to parents advising that we are in a catastrophic fire zone and our procedures for evacuation.

We have reviewed our current Bushfire Emergency Management Plan. Anyone who lives in bushfire prone areas needs to prepare themselves and their families, in the event that a fire emergency occurs.

If your emergency contact details have changed recently, please let the school know. These details come with us if we are evacuated from the school.

Here are some helpful websites and apps for you to check out:

- ‘Fires Near Me’ – app for phones from the NSW RFS, which is a live feed of current fires in the state.

- www.myfireplan.com – (NSWRFS)

On Tuesday, ten students represented our school in a chess tournament at Fingal Heads Public School. Each game tested our student’s skills and strategic thinking. Five games were played during the day and amazingly the result was a draw! Well done to our students for representing our school so proudly and displaying good sportsmanship. It was a great day and we are invited back next year to play another tournament.

Semester 2 reports will go home with students on Friday 11 December. If you have any concerns or questions please make an appointment to see your child’s class teacher.
