What an exciting week we have had for Education Week! I had the pleasure of taking students in years 5 & 6 to the annual Careers Market Day at Tweed South Public School on Tuesday. Students heard from a number of higher education providers including high-school, TAFE and University. We also had the opportunity to ‘Try-a-Trade’ and explore a variety of different career pathways from the police force, to hospitality, to robotics. The students all had a wonderful time and all reported finding interesting information which is helping to shape their dream careers.

Yesterday we opened up our school for Community Classrooms. It was wonderful to have so many parents, grandparents and community members join us for a morning of fun and learning. Students participate in such a variety of educational experiences here at school, so it was a pleasure to share some of those with you yesterday. Thank you parents, for supporting our school and our students, as always.

Tomorrow we have nine excellent athletes attending the District Athletics Carnival in Murwillumbah. We wish them all the best in their individual events and we know that they will represent our school with pride by demonstrating excellent sportsmanship.

Students are busy finalising their speeches in preparation for the public speaking competition in Week 5. Parents, if you are helping your child finish off their speech at home we ask that these are completed by the end of this week, ready to start rehearsing on Monday 3 August. Speeches are to be the following duration: K-2 - 1-1½ minutes, Yrs 3 & 4 - 2 minutes, Yrs 5 & 6 - 3 minutes.

This week is my final week at Carool Public School. I have had a wonderful time here, getting to know students and parents and I want to thank you again, for making me feel so welcome. I know I will miss the warm and friendly atmosphere, and your happy, smiling faces. Mrs Starcevic will be back on Monday week 4, and I am sure she will have some exciting tales to share of her adventure.
