What another fantastic 2 weeks of learning all students at Carool have had! There is nothing more pleasing than seeing students strive to achieve their best and take on different challenges to push themselves. These are excellent qualities in which I see all students show on a daily basis. I am feeling very lucky and excited to be at Carool.

Tomorrow morning at 10:45am is our K-6 Sharing Assembly. I understand this may be difficult for some parents to attend due to work commitments, however, if any grandparents, aunts, uncles and/or older siblings are available I know the staff, students and myself would very much appreciate their attendance. K-6 students have been working extremely hard and cannot wait to share with you all their amazing work.

Thursday 10th March (Week 8) Carool Public School will be holding a Community Sausage Sizzle and Open Classrooms afternoon. I would love to meet our neighbours and spread the love about how amazing Carool Public School is. The afternoon will consist of a free sausage sizzle, students showing family members and friends their work within the classrooms and the highlight being superb entertainment through a choreographed dance routine and art exhibition. The afternoon will kick off from 5-6:30pm. Save the date in your calendars now, spread the word and more information will follow! This is a community event and everyone is welcome!

Students K-6 are very fortunate to have the opportunity to participate in athletic track and field events delivered by a very experienced and talented sportsperson. Mrs Krystell Harrison is a qualified Primary Teacher and over the coming weeks all students will be learning how to perform a variety of correct techniques within athletics. These coaching sessions will prepare students for success at the Athletics carnival next term. This is a wonderful opportunity for all students and I can’t wait to see improvements in both confidence and skills. First session commences Thursday after lunch Week 6 and there is no cost associated.
